You scammed me, it was supposed to be shipping and handling for a package I won. Not a charge of \$59.93, and then you tried to charge \$99.93 more after I locked my card. What's up with this? I have already reported my card stolen and have reported your company. I want my money back. The charge was supposed to be \$2.98. You need to resolve this matter immediately. You are a scammer.
