Subject: Order Confirmation - CANCEL REQUEST URGENT - [BJT-JRRJV-365]

Importance: High

I have requested that this be canceled and I don't want your offer for part of a refund. I don't want the products and I want this credited back to my card immediately. I will be contacting my credit card company to let them know that I have requested cancellation of this order multiple times and have NOT accepted any offers made by ACV for Health.

Thank you,

Cindy
