Still I haven't got anything from your end Team. I have to give the answer to my client about the payment. He is checking for answers again and again. We both know that the client is our very first priority so please don't let me disappoint my client here cuz of this payment. It has already been late enough. Kindly let me know asap.

Hey, Good Morning Team, we haven't got the payment yet and the QP terms were within 3-7days and now it has been exceeded already. So we need our complete payment. \$2300 with no QP fee deduction as we are not getting the QP now. So, let me know if you need a new invoice for that or the old will do the same.  
 Thank you,

Hey, Good Morning Team, we haven't got the payment yet and the QP terms were within 3-7days and now it has been exceeded already. So we need our complete payment. \$2300 with no QP fee deduction as we are not getting the QP now. So, let me know if you need a new invoice for that or the old will do the same. Thank you,

 Hey, Good Morning Team, we haven't got the payment yet and the QP terms were within 3-7days and now it has been exceeded already. So we need our complete payment. \$2300 with no QP fee deduction as we are not getting the QP now. So, let me know if you need a new invoice for that or the old will do the same.  
 Thank you,
