Hi Santiago and Jordan,

I am trying to get my books cleared up for the end of the year. I have 2 open invoices for you. One is the original order that was installed in January that you wrote 2 bad checks for on a closed account in the amount of \$6503.64 with the return check fee and the other is for the second order you placed for the 3 shades in the lower office area which I still have because we can't seem to meet up for an install time. That one is for the amount of \$777.56.

If you have no intention of taking care of these invoices please just be honest with me and I will just take the loss even though you have window coverings in your home at my expense.

If you can give me a time that we can come install the last 3 shades I would be happy to do so, but I need the payment in full before I hang them. I can take a credit card, bank transfer or venmo but not a check. Please let me know what your intentions are.

First and foremost, I will have attorney Victor Sherman reach out to you because you are slandering my name and telling people that I stole from you and wrote you hot checks, your blinds did not work and the way you made them uneven, were not done the right way and the material that you made them with cringle up so bad.

I will have Mr. Sherman deal with this and by the way I spent \$10,000 with another company that did it the right way. You have already slandered me, and people are talking crap about me, and I do not appreciate that and for sending me threatening me crazy threatening messages that is not the way that you do this. As a business owner you should know better it's called DUE PROCESS. Proof of service.

Please do NOT contact me or the people that have nothing to do with this issue you have issues contact my attorney, Victor Sherman.

Mr. Sherman this is the woman that has been slandering me and saying what we spoke about yesterday. Please deal with this issue for me.

Misleading and misrepresenting your product and not finishing your "services rendered" does NOT apply to having grounds to saying that I stole from you. I am an attorney Ms. Palmer so I know procedure. Service this as notice to not bother me with this.
