# ACTIVATION OPTIONS

01

## CIVIL LIABILITY INSURANCE

A liability insurance is a supplementary coverage that protects contractors against specific risks not fully covered by a basic general liability policy. The liability insurance costs USD 2500, which is refundable provided that no damage occurs on the property.

02

## INSURANCE

Having insurance for a period of 24 months cannot be paid monthly, annually or renewed, whether for liability or workers' compensation.

03

## LIABILITY INSURANCE FINANCING

In the event of not having civil liability insurance or an occupational risk policy, the contract is allowed to be obtained through 50% financing of the civil liability insurance for the activation of the contract and the other 50% to be canceled within a period of 3 to 6 months.
