Great! It's a pleasure to make your acquaintance. Your swift responses during the job briefing and interview process will be much appreciated. Prior to this, allow me to acquaint you with our unconventional approach. If this interview method seems unprofessional or unfamiliar to you, please rest assured that this is standard practice at VERIGRAFT company. We recognize the ongoing revolution of the workplace and the necessity of staying abreast of change.

Considering our work culture is reflective of this phenomenon, we would like to think you are prepared to comfortably engage with these communication protocols we utilize.
